This Two Bedroom, Two bath mobile home has undergone a transformation. Located on the North side of Unit 15 it sports a well maintained yard with beautiful trees. A complete remodeling, new (3yrs) metal roof with additional insulation, redone master bath and bedroom, completely remodeled the kitchen includes stove, dish washer and refrigerator. The owner has replaced the old grey plumbing throughout the entire home, a new 55gal Hot Water Heater. The home was treated to prevent termites in May 2010 (5 yr life). This has got to be seen by all.
